**OFFICE OF PETITIONS**

In re Application of :  
Bruchez, et al. :  
Application No. 10/735,608 : DECISION  
Filed/Deposited: 12 December, 2003 :  
Attorney Docket No. IVGN 620.2 CIP :

This is a decision on the petition filed on 29 January, 2010, considered as a petition under 37 C.F.R. §1.181 (no fee) requesting withdrawal of the holding of abandonment in the above-identified application.

The petition pursuant to 37 C.F.R. §1.181 is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 C.F.R. §1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 C.F.R. §1.181."

This is **not** a final agency action within the meaning of 5 U.S.C. §704.

As to the Request to Withdraw  
the Holding of Abandonment

*Petitioner is directed to the Commentary at MPEP §711.03(c)(I) for guidance as to the proper showing requirements for relief under 37 C.F.R. §1.181.*

Petitioner appears not to comply with the guidance in the Commentary at MPEP §711.03(c)(I)—as discussed below, Petitioner has failed to satisfy the showing requirements set forth there. Petitioner may find it beneficial to review that material and move step-wise through that guidance in the effort to satisfy the showing requirements (statements and supporting documentation).

Petitioner failed to state that the docketing system is sufficiently reliable and failed to evidence that the due date docket is that for the firm—and that any other files wherein replies were due for non-final Office actions were reviewed to ensure that the Office action herein had not been misfiled.

### BACKGROUND

The record reflects as follows:

Petitioner failed to reply timely and properly to the non-final Office action mailed on 10 June, 2009, with required reply due absent extension of time on or before 10 September, 2009.

The application went abandoned by operation of law after midnight 10 September, 2009.

The Office mailed the Notice of Abandonment on 28 December, 2009.

On 11 June, 2008, Petitioner's decedent filed a reply, however, the application already stood abandoned.

For reasons unexplained, on 30 March, 2009, Petitioner's decedent/Petitioner filed a copy of the 15 August, 2007, Notice of Abandonment.

On 29 January, 2010, Petitioner filed, *inter alia*, a petition pursuant to 37 C.F.R. §1.181 and averred, *inter alia*, non-receipt of the Office action and provided a copy of the application docket sheet, made the statement of non-receipt at the correspondence address of record and the statement of search and non-discovery with a description of the docketing system. However, Petitioner failed to make the statement of sufficient reliability and failed to evidence that the due date docket is that for the firm. It also appeared that Petitioner may have redacted the statement of the reply(ies) due in a due-date listing, making it impossible to discern whether other files wherein replies were due for non-final Office actions were reviewed to ensure that the Office action herein had not been misfiled.

Thus, Petitioner has not completed the showing as discussed below in the citation from the Manual of Patent Examining Procedure (MPEP).

Petitioner is directed to the appropriate guidance (MPEP §711.03(c)(I)), and requested to comply with it.

With regard to Petitioner's request to withdraw the holding of abandonment pursuant to 37 C.F.R. §1.181, the guidance in the Commentary at MPEP §711.03(c)(I) provides in pertinent part as to non-receipt:

\*\*\*

The showing required to establish nonreceipt of an Office communication must include a statement from the practitioner describing the system used for recording an Office action received at the correspondence address of record with the USPTO. The statement should establish that the docketing system is sufficiently reliable. It is expected that the record would include, but not be limited to, the application number, attorney docket number, the mail date of the Office action and the due date for the response.

Practitioner must state that the Office action was not received at the correspondence address of record, and that a search of the practitioner's record(s), including any file jacket or the equivalent, and the application contents, indicates that the Office action was not received. A copy of the record(s) used by the practitioner where the non-received Office action would have been entered had it been received is required.

A copy of the practitioner's record(s) required to show non-receipt of the Office action should include the master docket for the firm. That is, if a three month period for reply was set in the nonreceived Office action, a copy of the master docket report showing all replies docketed for a date three months from the mail date of the nonreceived Office action must be submitted as documentary proof of nonreceipt of the Office action. If no such master docket exists, the practitioner should so state and provide other evidence such as, but not limited to, the following: the application file jacket; incoming mail log; calendar; reminder system; or the individual docket record for the application in question.<sup>1</sup>

If Petitioner is unable to comply with and/or otherwise satisfy these requirements, Petitioner may wish to revive the application: Petitioner may wish to properly file a petition to the Commissioner requesting revival of an application abandoned due to unintentional delay under 37 C.F.R. §1.137(b). (See: [http://www.uspto.gov/web/offices/pac/mpep/documents/0700\\_711\\_03\\_c.htm#sect711.03c](http://www.uspto.gov/web/offices/pac/mpep/documents/0700_711_03_c.htm#sect711.03c) )

Out of an abundance of caution, Petitioners always are reminded that the filing of a petition under 37 C.F.R. §1.181 does not toll any periods that may be running any action by the Office and a petition seeking relief under the regulation must be filed within two (2) months of the act complained of (*see*: 37 C.F.R. §1.181(f)), and those registered to practice and all others who make representations before the Office are reminded to inquire into the underlying facts of representations made to the Office and support averments with the appropriate documentation—since all owe to the Office the continuing duty to disclose.<sup>2</sup>

<sup>1</sup> See: MPEP §711.03(c) (I)(A).

<sup>2</sup> See supplement of 17 June, 1999. The Patent and Trademark Office is relying on Petitioner's duty of candor and good faith and accepting a statement made by Petitioner. See *Changes to Patent Practice and Procedure*, 62 Fed. Reg. at 53160 and 53178, 1203 Off. Gaz. Pat. Office at 88 and 103 (responses to comments 64 and 109)(applicant obligated under 37 C.F.R. §10.18 to inquire into the underlying facts and circumstances when providing statements to the Patent and Trademark Office).

The availability of applications and application papers online to applicants/practitioners who diligently associate their Customer Number with the respective application(s) now provides an applicant/practitioner on-demand information as to events/transactions in an application.

### STATUTES, REGULATIONS

Congress has authorized the Commissioner to "revive an application if the delay is shown to the satisfaction of the Commissioner to have been "unavoidable." 35 U.S.C. §133 (1994).

#### Allegations as to the Request to Withdraw the Holding of Abandonment

The guidance in the Commentary at MPEP §711.03(c)(I) specifies the showing required and how it is to be made and supported.

Petitioner appears not to have made the showing required.

### CONCLUSION

Accordingly, the petition pursuant to 37 C.F.R. §1.181 is **dismissed**.

### ALTERNATIVE VENUE

Should Petitioner wish to revive the application, Petitioner may wish to properly file a petition to the Commissioner requesting revival of an application abandoned due to unintentional delay under 37 C.F.R. §1.137(b). (See:  
[http://www.uspto.gov/web/offices/pac/mpep/documents/0700\\_711\\_03\\_c.htm#sect711.03c](http://www.uspto.gov/web/offices/pac/mpep/documents/0700_711_03_c.htm#sect711.03c) )

A petition to revive on the grounds of unintentional delay must be filed promptly and such petition must be accompanied by the reply, the petition fee, a terminal disclaimer and fee where appropriate and a statement that "the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition was unintentional." (The statement is in the form available online.)
